The Sea Caves area is regarded as the most prestigious residential area and here we have a very special villa just for you. Furthermore, your stretch of coastline is dotted with secluded and sheltered beaches making seaside living that much more exciting!

Your wonderful home is set on the elevated ground nestled on a generous south westerly orientation (1152 sq.m.) plot with a large stretch of garden that is ideally positioned to enjoy commanding views to the sea some 450 m away.

The villa is custom designed to deliver a ultimate personal retreat as a Mediterranean haven. The ground floor offers an abundance of private living space inside and out, whilst the sliding windows of the terraces merge seamlessly with the garden and the inviting pool and offering also picturesque outlook to the sea.

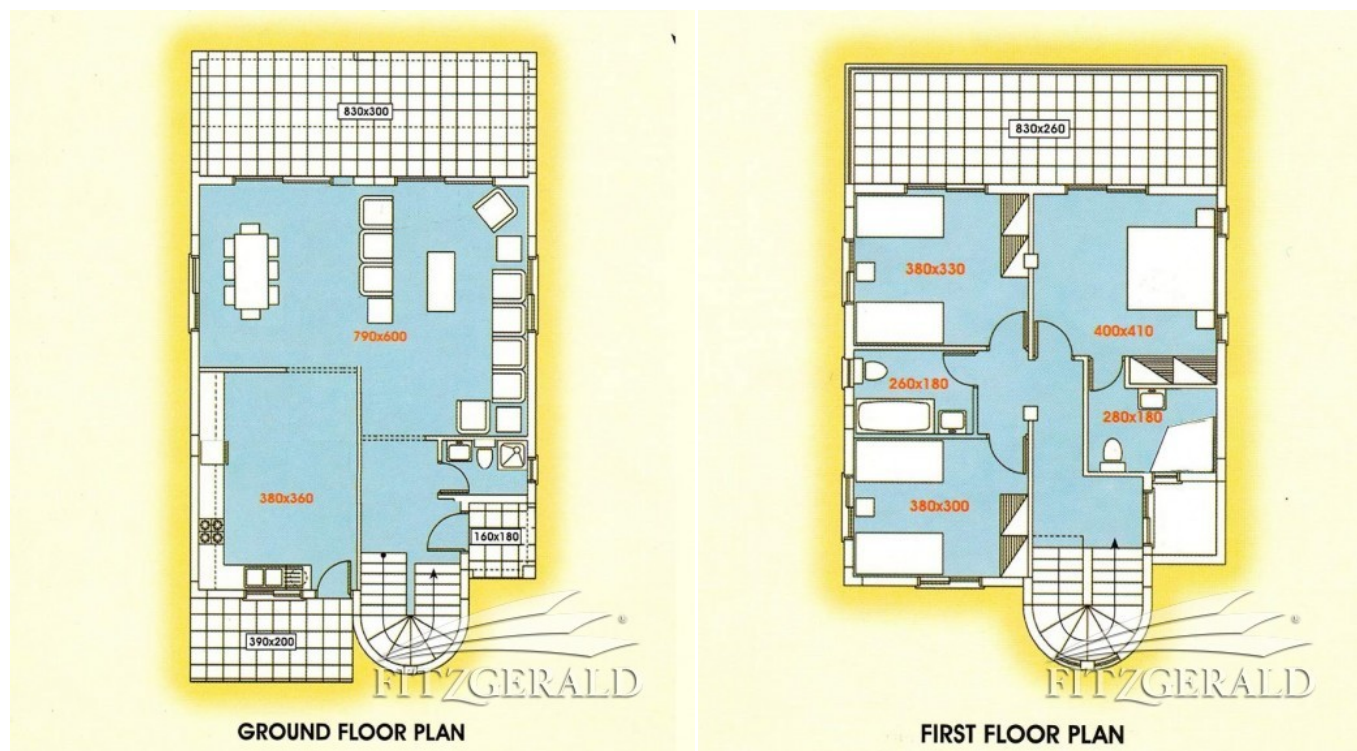

The gourmet kitchen is equipped for any challenge! This is a vast area with wall to wall cabinets and high caliber equipment and its own garden retreat... Master chefs do come in!

The first floor presents three elegant and spacious bedrooms with the master bedroom and 2nd bedroom benefiting from first class vast panoramic views over the entire neighbourhood, the garden and the sea.
